

# H M S

Huber Maintenance Supply  
Since 1949

*“Huberman, here to help you fight the villains that would break your budget and leave your facility in dire straits. My new line of HMS cleaning products is both effective & economical, empowering you with the tools you need to Triumph over these evil forces.”*

**“We’ll start by protecting your floors!”**

## Sure Step

**Your Choice**

## Zip Strip

CU9240-4

Sure Step is a synthetic blend of high gloss polymers, leveling and drying agents. Sure Step contains a new generation polymer that is chemically formulated to maintain a high gloss and is highly resistant to scratches providing exceptional durability. Sure Step floor finish sets the new standard for finishes. It is recommended for use on all resilient floors; vet, asbestos, asphalt tile, sheet vinyl, rubber and linoleum.

Also available in gallons

Zip Strip is a blend of alkaline builders, water-soluble solvents and water conditioning agents. It is formulated to provide effective removal of multiple coats of floor finish. It is also effective at removing old buildup or multi-layers or finishes burnished by spray buffing and high speed buffing where routine strippers are not effective.
